of Correction

REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors have been made:

In the Title page, Item (56) References Cited, under Other Publications, as submitted in the IDS filed May 30, 2001, --Jia, "Protein Phosphatases: Structures and Implications," *Biochem. Cell. Biol.* 75(1):17-26, 1997-- was incorrectly changed to "Jia, "Protein Phosphatases: Structures and Implications," *Biochem. Cell. Biol.* 75(1):17-26." in the issued patent.

Column 54, claim 12, line 62, as filed February 1, 2001, --claim 11-- was incorrectly changed to "claim 9" in the issued patent. Due to claim canceling and renumbering, claim 12 in the issued patent was claim 9 during prosecution of the application.

Attached is form PTO/SB/44, which indicates the corrections to be made by reference to the column and line numbers in the printed patent. Because the errors were made by the Patent Office, no fee is necessary. However if the errors are determined to be Applicants' errors, the Commissioner is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,  
SEED Intellectual Property Law Group PLLC
